Budget Policy

The Mount Morris Library (“the Library”) operates on a January to December fiscal year.

In December of each fiscal year, the Board of Trustees (“the Board”) along with the Library Director, will draft a preliminary operating budget for the subsequent year. The Board will approve by vote the subsequent year’s budget no later than February’s regularly scheduled open public meeting. The budget will be made available to the public through the Library’s website.

Adopted by the Board of Trustees on March 4, 2024
