Conflict of Interest Policy

We, the Board of Trustees of the Mount Morris Library Association, resolve that no member of the Board of Trustees shall participate in any discussion or vote on any matter in which he or she or a member of his or her immediate family has potential conflict of interest due to having material economic involvement regarding the matter being discussed. When such a situation presents itself, the trustee must announce his or her potential conflict, disqualify himself or herself and be excused from the meeting until discussion is over on the matter involved. The President of the meeting is expected to make inquiry if such conflict appears to exist and the board member has not made it known.
