

Please join us for David Moreland's high-energy 30-minute LIVE show via Zoom. Moreland, in his studio in Ithaca, NY, will perform a show especially for patrons of the Caledonia Library, and you get to tune in and interact via your computer screen at home. The show is bursting with magic, comedy, puppets, and – YES! -- audience participation & opportunities to volunteer! During the show, Moreland will take you 'behind the scenes' and teach you a magic trick you can perform at home, and show you how you can keep connected to the Caledonia Library all summer long!

The link for the zoom meeting will be posted on the Caledonia Library Facebook page.

Recommended for ages 4-10, but children of all ages are welcome.
