**Dear Caledonia Library Board of Trustees,**

Thank you again for welcoming me to your board meeting on **Tuesday, July 29, 2025**. I truly appreciated the opportunity to talk with you about sustainable funding models for libraries and to see your commitment to securing the future of the Caledonia Library.

I am pleased to confirm that this presentation counts as **90 minutes of trustee continuing education credit** under **New York State Education Law §260-d**. Trustees are required to complete a minimum of two hours of continuing education annually, and your participation in this session demonstrates your dedication to both meeting this standard and strengthening your governance skills.

I commend you for engaging deeply in the conversation and for your thoughtful questions. Preparing for the path ahead, through a 414 referendum, financial policy review, or future governance changes, takes time, planning, and strong leadership. Your participation in professional development is a vital part of that process.

Thank you for your continued dedication to serving the Caledonia community through your work as library trustees. I look forward to supporting you as you take the next steps in this important journey.

Sincerely,

Ronald Kirsop  
Executive Director  
OWWL Library System
