Library Spirit Week

We're hosting a Library Spirit Week from the 15th to the 20th of September! Every day of the week we will be advertising a themed activity. If you participate in at least four of the six activities, you will receive an entry to win a grand prize! During this week, you will also receive a small additional prize each day you use your library card. There will be various programs offered that correlate with the daily themes to encourage patrons to visit the library and participate in programming. We hope to see you!

October 5th - 11th is Banned Books Week!

The theme of 2025's Banned Books Week is "Censorship Is So 1984: Read for Your Rights." With the escalation in attempts to ban books in libraries, schools, and bookstores around the country, George Orwell's cautionary tale 1984 serves a prescient warning about the dangers of censorship. This year's Banned Books Week theme reminds us that the right to read belongs to all of us, that censorship has no place in contemporary society, and that we must defend our rights. Celebrate the freedom to read by checking out some of the books featured on our banned books display located in the middle of the library. We also have free pins and an 'Uncensored' Bracelet Take & Make that will be available throughout the week to raise awareness about frequently challenged books and the freedom to read.
